Nuapada/ Sambalpur/ Subarnapur & Sundargarh.

Sub : Execution of works after receipt of Administrative Approval Order.

Sir/Madam,

I am directed to inform you that the Executing Agencies are not issuing work orders for execution of the works even after receipt of specific Administrative Approval Order against the project. Here, I would like to reiterate that soon after issuance of Administrative Approval order, steps are being taken for release of funds in favour of concerned Executing Agencies by the WODC. So, in anticipation of receipt of funds, you are requested to instruct all the Executing Agencies to start & execute the projects wherever Administrative Approval Orders have been received by them and allow them to spend the money for the purpose out of the available fund of WODC.

This may be treated as urgent & necessary instructions may be given to all the Executing Agencies accordingly.

Yours faithfully,

Chief Executive Officer.
